9. ADDITIONAL INFORMATION

The full optional course lasts one semester and is conducted in the winter or summer semester. Students may sign up for only one optional course edition.

All course topics and credits are completed via eWUM (e learning.wum.edu.pl), the Warsaw Medical University's e-learning platform. An unlimited number of students can participate in the optional course.

Materials will be provided sequentially: in the winter semester from 15 October 2025 till 25 January 2026 (edition 1), in the in the summer semester (edition 2) from 2 March 2026 till 14 June 2026.

The optional course grade is based on the points obtained in the summative test and other e-learning activities. Each participant has two attempts at the test, and the higher score is awarded.

Note: In the 2024/2025 academic year, the course in English was entitled: Mnemonics - how to remember without forgetting. The current edition contains the same materials, but they are arranged differently.
