Organisation of the online competency test conducted in 2025
at the Medical University of Warsaw

The Medical University of Warsaw competency test is online. The candidate can take the exam at home. The test is open from 7 am to 11.30 pm, according to your country's time. Plan your day. Choose the hours that are convenient for you.

Please prepare the necessary hardware and documents.

Technical requirements for the online examination:

1. Using a computer or laptop with a camera. **The exam cannot be taken via mobile phone or tablet.**

2. The appropriate Internet browser is instal: **Google Chrome or Mozilla Firefox.**

3. Having a stable internet connection at home. The exam will last at least 2 hours. Therefore, a stable connection for at least 2 hours is required. We do not recommend using a WiFi connection.

Please prepare yourself, prepare your passport and ORS ID number:

A. Before the online examination, you will have to show your passport for verification. The document should be the same as in the ORS system.

B. ORS ID number is your application number.

C. Please read the attached competency test rules carefully.

4. The link to the exam will be in a separate email from the exam platform

We arrange the test dates based on GMT in the country you reside in
(Country of residence entered in Exam Declarations in the ORS).

The test is open from 7 am to 11.30 pm, according to your country's time.
Plan your day. Choose the hours that are convenient for you.

Note:
If, for emergency reasons, you must reschedule the exam, you cannot change the date yourself. You must obtain approval from the Admission Board if necessary - email support@wum.edu.pl.

How to use the email sent from the exam platform?

You will get:
